

TERMS OF SERVICE

Introduction

Welcome to Samdwich! By using the website (<https://samdwich.wtf/>) and engaging with the \$SAM token or any related services, you agree to the following Terms of Service. If you do not accept these terms, you must stop accessing and using the website and its services. These Terms, along with the Privacy Policy, govern your relationship with Samdwich and its

Acceptance of Terms

By accessing and using the website, purchasing, acquiring, or holding \$SAM, you acknowledge that you have read, understood, and agreed to these Terms. These Terms may be updated periodically, and by continuing to use the website after changes are posted, you accept the modifications.

Definitions

- Samdwich refers to the RWA meme coin project and all related activities.
- \$SAM refers to the cryptocurrency token issued by Samdwich.
- You or Users refers to any individual or entity using the website or engaging with the \$SAM token.

Project Description and Company Identity

Samdwich is the world's first Real World Asset (RWA) meme coin, driving both digital and real-world impact. It brings together online meme culture with physical pop-up stores and events in cities globally. \$SAM is the associated token of this project.

Eligibility

You must be at least 18 years old to use the Samdwich platform and purchase \$SAM tokens. By accessing the website, you confirm that you are of legal age in your jurisdiction. Samdwich does not assume any liability for minors engaging with the platform without parental or guardian supervision.

Intellectual Property Rights

All content on the Samdwich website, including but not limited to logos, trademarks, and media, is protected by intellectual property laws. You may not modify or reproduce this content without written permission from Samdwich.

Cryptocurrency Risks

Investing in cryptocurrencies, including \$SAM, involves risks, including price volatility and potential loss of capital. Sandwich does not provide financial or investment advice. It is your responsibility to research and understand the risks associated with cryptocurrency investments.

- **Security:** You are responsible for securing your wallet and private keys. Sandwich will not be liable for any losses resulting from unauthorized access to your account.
 - **Regulatory Compliance:** You are responsible for ensuring that your use of \$SAM complies with local regulations.
 - **No Guarantees:** Sandwich makes no guarantees about the value or future performance of \$SAM tokens.
- 

PreSale and Token Claiming

PreSale participants are responsible for ensuring the security of the wallet used to purchase \$SAM tokens. Claims must be made from the same wallet used during the PreSale. Sandwich does not conduct KYC (Know Your Customer) procedures, so wallet ownership is solely your responsibility.

Limitation of Liability

Samdwich, its developers, and associated entities are not liable for any losses, damages, or expenses incurred as a result of using the website, services, or tokens. The Samdwich platform is provided "as is" without any warranties. The website may experience downtime for maintenance or technical reasons, for which Samdwich is not responsible.

Third-Party Content

Samdwich may contain links to third-party websites. Samdwich is not responsible for the content or services offered by third parties. It is recommended to review third-party terms and policies before engaging with them.

Governing Law

These Terms of Service are governed by the laws of the jurisdiction in which Samdwich operates. You agree to submit to the exclusive jurisdiction of the courts of this location for any disputes arising from these Terms.
